

## **Peter Bigelow Elected Smta Massachusetts (Boston) Chapter President**

**Haverhill, MA, December 5, 2019.** IMI, Inc. announced today that company President Peter Bigelow was elected President of the Boston Chapter of the SMTA (Surface Mount Technology Association). Bigelow has been Chapter Vice President for the past five years. The Boston Chapter includes active members involved in the design and manufacture of advanced circuit assemblies and related products. Monthly technical meetings as well as an annual regional Exhibition are planned and facilitated by the Boston Chapter.

Peter Bigelow, President & CEO commented, “**It’s** an honor to have been elected President of such an active and vibrant SMTA Chapter. I look forward to working with all of our experienced and very competent Officers to keep the momentum going and provide exceptional technical and networking opportunities for those locally in our industry.”

### **About SMTA**

SMTA is a Global Association working on a local level for electronics engineering and manufacturing professionals seeking to improve processes through best practices and real world solutions, SMTA offers exclusive access to local and global communities of experts as well as accumulated research and training materials from thousands of companies dedicated to advancing the electronics industry.
